Rohit Shetty

Physiotherapist (Musculoskeletal)

Mangaluru, India • rohit.shetty@example.com • +91 94XXX XXXXX

Summary

Physiotherapist working in musculoskeletal outpatient and postoperative rehabilitation services. Documents functional assessments, reviews progress with patients and coordinates care with the clinical team.

Experience

Senior Physiotherapist, Example Willow Rehabilitation Centre Mar 2022 - Present

Mangaluru, India

- Assess assigned musculoskeletal patients and document functional goals and individual treatment plans within clinical scope.
- Review postoperative rehabilitation progress with the referring clinical team and record changes agreed with the patient.
- Introduced consistent intake and review fields for functional outcome measures, improving completeness of follow-up records.
- Supervise three placement students during assigned sessions, reviewing notes and providing feedback.

Physiotherapist, Example Cedar Physiotherapy Practice Jul 2019 - Feb 2022

Bengaluru, India

- Managed an outpatient caseload with documented assessment, treatment and follow-up notes.
- Coordinated onward review when symptoms or progress required input from another clinician.
- Prepared patient exercise information in line with the agreed individual plan.
