Imran Patel

Auto Mechanic

Sharjah, United Arab Emirates • imran.patel@example.com

Summary

Auto mechanic with six years in passenger-vehicle servicing and repair. Uses job cards, diagnostic checks and workshop guidance to investigate faults and document completed work. Communicates findings clearly to the service adviser and checks repairs within the workshop's approved process.

Experience

Auto Mechanic, Example Dunewood Auto Workshop — Oct 2022 - Present

Sharjah

- Carry out scheduled servicing, brake inspections and approved component replacements on petrol passenger vehicles.
- Use scan-tool readings alongside inspection findings and service information to investigate faults before recommending repairs to the workshop lead.
- Improved job-card completion from 24 to 35 fully documented jobs in a monthly sample of 40 by recording checks, parts and follow-up notes consistently.
- Complete post-repair checks required by the job card and report unresolved symptoms before the vehicle is handed back to the service adviser.

Trainee Mechanic, Example Palmbridge Motor Services — Jun 2020 - Sep 2022

Sharjah

- Supported routine servicing and component checks under senior technician supervision.
- Prepared tools and replacement parts against approved job requests and checked part references before fitting.
- Recorded observed leaks, wear and damaged components for the senior technician to review.

Education

Diploma in Automobile Engineering — 2017 - 2020

Example Riverwick Technical Institute

Skills

Workshop work: Scheduled servicing, Brake inspections, Component replacement, Job cards

Diagnosis: Scan-tool readings, Visual inspection, Service information, Fault documentation

Communication: Repair findings, Parts identification, Workshop handovers
