AutoCAD, SketchUp, Drawing coordination, Finish schedules

Delivery
Client presentations, Supplier comparisons, Site records, Snag tracking

Summary

Interior designer with four years supporting residential and small workplace projects from brief to handover. Prepares layouts, material schedules and presentation drawings, coordinates supplier information, and records site changes for the project lead.

Experience

Interior Designer, Example Fernarc Interior Studio Jun 2023 - Present

- Prepared space plans and furniture layouts for six residential projects ranging from 80 to 160 square metres.
- Maintained material and finish schedules, recording client approvals and supplier substitutions before procurement.
- Coordinated weekly site notes with the project lead and tracked 34 snag items to documented closure.

Junior Interior Designer, Example Fernarc Interior Studio Jun 2022 - May 2023

- Produced CAD drawings and SketchUp models from approved design concepts.
- Compared supplier quotations against specified quantities and flagged missing items for review.
- Prepared presentation boards showing proposed finishes, lighting intent and furniture dimensions.

Education

Bachelor of Design, Interior Design 2018 - 2022

Example Terrace Design College

Projects

Compact studio apartment concept

- Developed three layout options for a fictional 42-square-metre apartment brief.
- Compared circulation, storage and furniture clearances and documented why the final option was selected.
