# Sana Nair

Operation Theatre Technician

Thiruvananthapuram, India • sana.nair@example.com

## Summary

Operation theatre technician with three years supporting a two-theatre surgical centre. Coordinates equipment readiness, instrument availability and consumable stocks with nursing, sterile-services and biomedical teams. Maintains clear preparation and shift-handover records.

## Experience

### Operation Theatre Technician, Example Acacia Surgical Centre

Jul 2024 - Present

*Thiruvananthapuram, India*

- Supported preparation of two operating theatres using the centre's approved readiness checklist under the theatre nursing team.
- Checked equipment availability and recorded readiness observations before scheduled lists, escalating faults to the clinical lead and biomedical team.
- Coordinated instrument-set availability with sterile services and recorded collection, delivery and outstanding requirements for the theatre nursing team.
- Reorganised consumable stock locations with the theatre lead; missing-item queries during morning preparation fell from 9 to 3 per week across two eight-week tracking periods.
- Prepared the next-day supply list against the confirmed theatre schedule and handed unresolved equipment or stock requests to the shift lead.

### Trainee Theatre Technician, Example Acacia Surgical Centre

Jul 2023 - Jun 2024

*Thiruvananthapuram, India*

- Prepared labelled supply trays against approved lists and checked quantities with the supervising technician before transfer.
- Updated expiry and replenishment records and reported missing items to the supervising colleague.
- Kept a placement log of room preparation, instrument coordination and equipment observations for monthly supervisor review.

## Education

### B.Sc in Operation Theatre Technology

2020 - 2023

*Example Lakeside Institute*

## Skills

**Theatre support:** Theatre preparation, Equipment readiness records, Instrument-set coordination, Consumable stock checks

**Professional practice:** Preparation checklists, Shift handovers, Issue escalation, Patient confidentiality
