Priya Deshpande

Secondary School Teacher (Mathematics)

Nagpur, India • priya.deshpande@example.com • +91 95XXX XXXXX

Summary

Secondary mathematics teacher planning lessons and assessments for grades eight to ten. Uses diagnostic tasks to identify gaps and adapts follow-up work with colleagues and families.

Experience

Mathematics Teacher, Grades 8-10, Example Hillcrest Secondary School

Jun 2020 - Present

Nagpur, India

- Teach mathematics across grades eight to ten, planning lessons and assessments against the school's CBSE curriculum schedule.
- Used a fractions diagnostic to plan six small-group practice sessions and reviewed the same skills in follow-up tasks.
- Maintain class records and discuss attendance, progress and support needs with families through school procedures.
- Developed application-based mathematics tasks with colleagues and reviewed marking consistency.
- Mentor two early-career teachers through lesson observations and documented feedback.

Mathematics Teacher, Grades 6-8, Example Lakeside School

Jun 2019 - May 2020

Nagpur, India

- Taught middle-school mathematics and prepared worked examples for algebra and geometry lessons.
- Ran a weekly question clinic and recorded common misconceptions for future lesson planning.
